5. Programme Coverage (at a glance)

The three-day Summit will deliver hands-on learning, expert-led discussions, and peer collaboration to achieve the following core objectives, aligned with regional priorities:

- i. Enhance technical capacity for interoperable digital health systems
- ii. Advance expertise in standards-based tools and Digital Public Infrastructure (DPI)
- iii. Develop strategies for legacy system integration
- iv. Establish the South-East Asia Regional **FHIR** (Fast Healthcare Interoperability Resource) Community
- v. Initiate country-specific roadmaps

vi. Advance surveillance data standards

6. Code of Conduct: It is important to note that WHO events adhere to the Code of Conduct (attached below) and are guided by the highest ethical and professional standards. All participants are expected to behave with integrity and respect towards all attendees involved in any WHO event.

7. Delegate Support

- i. A **logistics coordination desk** will operate at The Ashok Hotel during the Summit.
- ii. **NeGD's Logistics Coordination Team** will remain available on call for transport, accommodation, and other requirements.
